CAI-CLAC Legislative Day at the Capitol

Each year, members of CAI gather in Sacramento to educate legislators on current issues affecting California's 55,000 Community Associations. During this two-day event, you will attend briefing sessions with CAI's lobbyist, learn what new changes are on the horizon, and go straight to the Capitol to make our voices heard. These visits serve multiple purposes, educating legislators, seeking support for specific bills, and showing appreciation for past support. In addition, get to know the CAI-CLAC Committee members who represent your chapter's voice at the "Meet the Delegates" Reception. Come to Sacramento and be part of the change!
