The California Legislative Action Committee (CLAC) is a volunteer committee of Community Associations Institute (CAI), consisting of homeowners and professionals serving homeowner associations (HOAs).

CAI is the largest organization in America dedicated to the monitoring of legislation, educating elected state lawmakers and protecting the interests of those living in community associations.

CAI-CLAC is working toward legislative solutions that are right for California homeowner associations.

Donating just a Buck A Door (or more!) allows you to participate in the legislative process. Donate today to protect HOA living and your property values.
