

Support CAI-CLAC's Advocacy Efforts Through the Buck A Door (or More!) Campaign

We Need Your Help – Partner with Us!

CAI-CLAC's Buck A Door campaign allows community association residents to have a voice at the State Capitol. Please consider donating \$1 per door (or more) so we can represent your community voice. Your donation makes our legislative advocacy and outreach efforts possible.

Who We Are

The California Legislative Action Committee (CLAC) is a committee of the Community Associations Institute (CAI), an international membership organization dedicated to advancing excellence in the governance, management, and quality of life of community associations. CAI's mission is to inspire professionalism, effective leadership, and responsible citizenship — ideals reflected in associations that are preferred places to call home. CAI-CLAC is dedicated to monitoring and influencing legislation that affects community associations in California.

What We Do

We safeguard and improve the community association lifestyle and property values. CAI-CLAC is proactive in introducing and advocating for legislation that is beneficial to community associations and is active in opposing legislation that may have an adverse impact on community associations. CAI-CLAC has influenced legislation affecting many aspects of the Davis-Stirling Act, including covenant enforcement, elections, board meetings, assessment collection, electronic voting, resale disclosure, etc.
